

MATRIX 630XR

BUILD

Perfect for vertical applications, the Aelius Matrix 630 boasts subtle metal heat sinks, a sleek bare aluminum design, and remote mount Meanwell drivers. Recommended for a full cycle grow application or flower, the Matrix 630 is sure to set your canopy apart. Six sleek light bars ensure even coverage without the bulk. This fixture will not disappoint!

SPECTRUM

DIMENSIONS & WEIGHT

43" x 41"

19.2 LBS

Many growers look for a well rounded, full cycle led grow light that is easy on the eyes to work under, yet still provides excellent growth characteristics and efficacy. All that and more can be found in the Matrix 630 spectrum. This spectrum has proved itself time and time again to lead your plants happily from vegetation cycle through to finishing off your flowers.
